

CADILLAC LYRIQ

Basic Parameters

Length (mm)	5003
Width (mm)	1977
height (mm)	1637
Wheelbase (mm)	3094
CLTC cruising range (km)	653
Fast charging performance (20%-80%) (h)	0.67
AC charging (0-100% full) (h)	15.5 - 7.2kW
Power consumption per 100 kilometers (kW·h)	15.6
BEV Heat efficient integrated thermal system	S
Drive form	4WD
Motor type	Permanent magnet synch
Motor maximum power (kW)	375 - 500 caballos HP
Motor maximum torque (N m)	710
Acceleration time to 100 kilometers (s)	4,6
Maximum speed (km/h)	200

A new generation of SUPER CRUISE super driving assistance system*

SUPER CRUISE full-speed adaptive cruise	S
SUPER CRUISE lane centering	S
ILC command lane change assist	S
ALC automatic lane change assist	S
DMS Driver Monitoring System	S
Dual-zone capacitive sensing steering wheel (with light belt prompt)	S

Assisted driving system

FSRACC full speed range adaptive cruise	S
HOLCA Intelligent Lane Centering Assist	S
FDI forward distance reminder	S
RLAD collision warning light prompt	S
FCA forward collision warning	S
AEB automatic emergency braking	S
Emergency braking at CTB intersection	S
DOW door open warning	S
LDW lane departure warning	S
LKA Lane Keeping Assist	S

LCA lane change warning	S
SBZA side blind zone warning	S
SBA Side Cycling Warning	S
SCA lateral collision avoidance assist	S
RCTA rear vehicle passing warning	S
Vehicle behind RCTB through emergency braking	S
RAB Rear Automatic Emergency Braking	S
TSR traffic sign recognition	S
360° HD panoramic images*	S
SVR Surround View Driving Image*	S
Front and rear parking assist warning	S
APA automatic parking assist system	S
SRP Remote Park Assist*	S
Seat Vibration Safety Tips	S

Vehicle safety system

OnStar OnStar system	S
front airbag	S
Front side airbags	S
Front and rear penetrating side air curtains	S
Front seat belts with preload	S
Rear seat belts with preload	S
Front/rear seat belt not fastened reminder	S
electronic child lock	S
ISOFIX child safety seat interface	S
Anti-theft alarm system	S
Low speed warning sound outside the car	S
ABS anti-lock braking system	S
EBD electronic brake force distribution	S
TCS traction control system	S
ESC vehicle stability control system	S
EBA Emergency Brake Assist	S
CBC cornering brake control	S
RBB Rear Brake Assist	S
BC brake wash	S
SLS Straight Line Stability Control	S
TVB torque vector control	S
EUC Enhanced Understeer Control	S

Driving control system

Front/rear five-link independent suspension	S
Gearbox electronic gearshift	S
SSPS Speed-assisted Electronic Steering System	S
Front 17-inch ventilated disc/rear 18-inch ventilated disc brake disc	S
FNC nitrocarburized brake disc	S
E-Boost electronic braking system	S
Multiple driving modes: comfort/sport/ice/snow/custom	S
Brake energy regeneration system	S
VROD paddle type stepless adjustable braking force	S

One-pedal mode (can be turned off/on)	S
Electronic parking (EPB) with automatic parking (Autohold)	S
Michelin 265/50R20 self-sealing tires	S
Independent digital tire pressure monitoring	S

Smart cockpit

33-inch ring screen Super Retina screen

9K screen resolution	S
10bit display color depth	S
271PPI display accuracy	S
100000:1 dynamic contrast ratio	S

AKG Studio Grade Hi-Fi Sound System

19 speaker system (1400W power)	S
Quantum Logic virtual 7.1 immersive surround sound	S
Unity coaxial speakers	S
Acoustic Lens acoustic prism	S
Immersive Headrest Dual Speakers	S
EVSE Active Sound Technology	S

Smart Internet

iKey mobile phone key	S
Four-door keyless entry	S
5G wireless network	S
Wi-Fi in the car	S
bluetooth connection	S
Apple CarPlay Wireless Mapping	S
Mobile phone wireless charging (15W power)	S
Type-C interface x 4 (support 45W fast charge x 1)	S
Personalized cloud account system	S
Baidu Ecology and Vehicle Applications	S
Vehicle intelligent navigation system	S
Intelligent scene recommendation	S
smart voice assistant	S
Smart Electronics User Manual	S
Mobile phone remote vehicle control	S
Mobile phone remote appointment charging	S
Mobile phone remote vehicle condition detection	S
Vehicle integrated ETC electronic non-parking toll collection system	S
VIP electronic architecture and vehicle OTA remote upgrade capability	S

Intelligent air conditioning system

Air conditioning zone control	Three zones
Minimalist leafless front air outlet	S
Second outlet	S
Nano-scale anti-PM2.5 air conditioning filter	S
Allergen filtering	S
Air Quality Management System	S
Rear window defogging function	S

Seat system

driver seat memory	S
12-way electric adjustment of front seats (including 4-way lumbar support)	S
Front 2-way adjustable head restraints	S
Premium perforated leather seats	S
Premium Nappa perforated leather seats	S
front seat massage	S
front seat ventilation	S
Heated front seats	S
rear seat heating	S
Front seat back storage bag	S
Rear center armrest (with cup holders)	S
One-button electric folding of the rear seats (40/60 split)	S
Rear seat backrest angle adjustment	S
Rear 2-way adjustable head restraints	S

Exterior lighting system

Sombra Brilliant Grille	S
Cadillac crystal shield logo	S
Meteor shower in-line LED headlights	S
ADB adaptive high beam adjustment	S
Streamer sound string LED daytime running light belt	S
Flowing rhythm LED turn signal belt	S
Wings of Streamer Lighting Ceremony	S
Consonance Touch Luminous Electric Door Handle	S
Headlight level automatic adjustment	S
Automatic headlight on/off	S
Headlights Parking/Cornering Auxiliary Lights	S
Streamer Flying Wing LED Tail Lights	S
LED rear fog lights	S

External equipment

Millimeter wave radar induction automatic tailgate (with projection light)	S
Two-panel electric dome (with electric sunshade)	S
Front double-layer laminated acoustic glass	S
Anti-UV heat insulation front glass	S
rear privacy glass	S
Four-door windows one-button up and down (anti-pinch)	S
Electric heated/folding exterior mirrors	S
Rain-sensing boneless wipers	S
Smart electric charging port cover	S
Active opening and closing air intake lower grille	S
Aerodynamic spoiler with high mounted stop lights	S
shark fin antenna	S
20-inch double six-spoke alloy wheels	S
20-inch sports black alloy wheels	S
20-inch dual six-spoke obsidian blade blade wheels	Opt

Internal equipment

Three-spoke leather steering wheel	S
Steering wheel four-way adjustment (front and rear, up and down)	Electric
Steering wheel heating	S
Instant Response Steering Wheel Controls	S
Tree Shadow Whirling 26-color Ambient Light	S
Laser etched real wood veneer	S
suspended central armrest	S
Mens Shield Crystal Drill Electric Control Knob	S
Large central storage space	S
Electric open glove box	S
Capacitive touch LED front and rear reading lights	S
Front sun visor (with vanity mirror, LED lighting)	S
Streaming media interior rearview mirror (with camera cleaning)	S
Illuminated welcome board	S
The trunk volume is 521L (the rear seats are electric)	S
The trunk volume is 1549L (with the rear seats down)	S
trunk shade	S
trunk light	S
12V power supply	S
Car kit (warning triangle/reflective vest)	S

S (standard)
